

Contractor Insurance and Indemnity Agreement

This agreement is made by and between Pelican Management, Inc. a New York Corporation Doing Business As Goldfarb Properties (“Pelican”) with a principal address of 524 North Avenue, New Rochelle, New York 10801 and all of those entities outlined in Paragraph 7 herein (collectively “Indemnitees”) managed by Pelican and _____ with a principal place of business at _____ (hereinafter “Contractor”). The parties herein agree they are simultaneously entering into a contract for the Contractor to perform certain services on behalf of Pelican at property owned by one or more of the Indemnitees listed in Paragraph 7 (“Contract”) as well as possibly performing other work at other sites managed by Pelican and owned by one or more of the Indemnitees or its affiliates in the future. This agreement shall become a part of the Contract and the regular course of business dealings for any other projects between the Pelican and/or the Indemnitees listed in Paragraph 7 or its affiliates, including any subsequently obtained or formed affiliates, and any conflicts between this agreement and the Contract or invoices or proposals shall be resolved in accordance with the terms of this Agreement.

1. **INSURANCE:** The Contractor agrees to maintain the minimum insurance coverage and comply with each condition set forth below during the duration of this Agreement. The Contractor shall procure and maintain, for the duration of the Contract and/or any work thereunder , insurance against claims for injuries to persons or damage to property that may arise from or in connection with the performance of the services provided under this Contract hereunder by the Contractor, their agents, representatives, employees, or subcontractors. The cost of such insurance shall be paid by the Contractor.

Contractor shall not commence any work under the Contract, or under any proposal or invoices until it has obtained insurance in the types and with the respective minimum limits of coverage set forth below:

- a. Commercial General Liability Insurance with a limit of not less than \$1,000,000 per occurrence and aggregate of at least \$2,000,000 per project. Coverage shall be written on a standard ISO “occurrence” form (or a substitute form providing equivalent coverage) and shall cover liability arising out of services performed under this agreement, personal injury (including bodily injury) and property damage.
- b. Commercial Automobile Liability with a limit of not less than \$1,000,000 for each accident. Commercial Auto Liability shall be written on a standard ISO version Commercial Automobile Liability policy form or a substitute form providing equivalent liability coverage, providing coverage for all owned, non-owned and hired automobiles.
- c. Workers Compensation Insurance with Statutory Limits and Employers Liability coverage of not less than \$1,000,000 covering all persons employed by Contractor to do the work by Contractor under this agreement.
- d. Umbrella / Excess Liability – Umbrella / Excess Liability with minimum limits of \$1,000,000.00
- e. *If applicable to the work being performed*, Contractor's Pollution Liability and / or Asbestos Pollution Liability insurance covering any pollution related claim for bodily

injury, personal injury, property damage, cleanup costs and legal defense expense applying to the work being performed, with a limit no less than \$2,000,000 per claim or occurrence and \$2,000,000 aggregate per policy period of one year. If the services involve lead-based paint or asbestos identification / remediation, the Contractors Pollution Liability shall not contain lead-based paint or asbestos exclusions. If the services involve mold identification / remediation, the Contractors Pollution Liability shall not contain a mold exclusion and the definition of "Pollution" shall include microbial matter including mold.

2. OTHER INSURANCE PROVISIONS:

- a. The Insurance shall not have any exclusions for Labor Law, Worker or Employee Injury or for Contractual Liability The General Liability Policy, Umbrella/Excess Policy and (if applicable) Pollution Liability Policy shall name Pelican and the Indemnites listed in Paragraph 7 as an additional insured.
- b. Policy Limits - Required limits may be satisfied by a combination of primary and umbrella or excess liability policies.
- c. Subcontractors - If the Contractor's insurance does not afford coverage on behalf of any Subcontractor(s) hired by the Contractor, the Subcontractor(s) shall maintain insurance coverage equal to that required of the Contractor. Owner reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
- d. Claims Made Policies - If General Liability, Contractors Pollution Liability and/or Asbestos Pollution Liability coverages are written on a claims-made form:
 - i. The retroactive date must be shown and must be before the date of the contract or the beginning of contract work.

- ii. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase an extended period coverage for a minimum of five (5) years after completion of contract work.
 - iv. Contractor must provide a copy of its insurance policies to Owner within seventy- two (72) hours of any request.
 - v. A copy of the claims reporting requirements must be submitted to the Owner for review.
3. Contractor shall submit to Owner written confirmation in the form of an insurance certificate that the foregoing insurance is in full force and effect, with an insurance company that has an A.M. Best rating of A-,VII or better, and that the foregoing insurance will apply on a primary non-contributory basis, prior to commencing any work as set forth or referred in this agreement and naming Pelican and all of the Indemnitees named in paragraph 7 hereof. as an additional insured and that any and all rights of subrogation against the Indemnitees listed in Paragraph 7 are waived.
4. To the fullest extent permitted by law, the Contractor and/or its Subcontractor (s), and all other tiers of Subcontractor (s) shall indemnify, defend, and hold harmless the Owner, and agents and employees of any of them from and against claims, damages, losses and expenses, liabilities, fines, penalties, professional fees, court costs, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) including loss of use resulting there from, but only to the extent caused in whole or in part by negligent acts or omission of

the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Agreement. Contractor waives any and all rights of subrogation which it may have or may come to have against any of the entities set forth in Paragraph 7 hereof.

5. In claims against any person or entity indemnified under this agreement by an employee of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this agreement shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or a Subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.
6. In the event Contractor's work includes any welding, soldering, torch applied roofing, torch applied piping, grinding, cutting, open flame operations or other operations which can produce sparks or heat ("Hot Work"), Contractor shall provide Owner at least 48 hours advance notice and must take all necessary steps to safely administer this work to avoid a casualty. These steps should include but not be limited to (i) ensuring any automatic fire sprinkler systems are on-line and ready, (ii) ensuring that any fire extinguishers are charged and ready (iii) engaging Fire-watch to be present during work, (iv) making sure all combustibles within a 10 meter area of the Hot Work are cleared which include any and all combustible materials, flammable liquids, explosive atmospheres, floors swept, floors and wall openings covered, fire resistant sheets are used to cover all combustibles and ducts and conveyors are shut down. Owner may require the Contractor to follow a particular permitting procedure as it pertains to Hot Work.
